All New Air Ioniser

Help purify the air around the RP03 with an ioniser that automatically clears impurities when pollutant levels rise.

Next Generation Air Quality Sensor

Centrally monitor the air quality (CO2, PM10 and PM2.5), temperature, and humidity all from a single dashboard.

eyesafe
CERTIFIED

World's First EyeSafe Certification

The first and only interactive display to meet Eyesafe standards, offering the highest level of blue light protection while maintaining vivid, true-to-life colours.

Germ Resistant Screen and Accessories

The RP03 comes with germ-resistant screen, pens, remote control, keypad and front I/O for extended protection through Silver Nanoparticle Technology.

Octa-Core Processor with 8GB Memory and 64 GB Storage

1.7x better CPU performance and ample memory and storage keeps your lessons running smoothly, even with multiple applications on the go.

Smart Eye-Care Solutions

RP03 comes standard with Low Blue Light, Flicker-Free and Anti-Glare screens, giving peace of mind for developing eyes.

Accurate 40 Point Touch

The RP03 registers up to 40 touch points simultaneously, allowing multiple users to interact on the display at the same time.

Android 11

Android 11

With a cutting edge embedded Android system and optional OPS, software flexibility is paramount with RP03.

One-Tap Login with NFC

Save time by securely accessing all your local and cloud drive files with a simple tap.

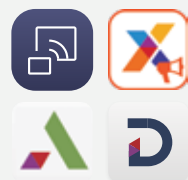

World's First Sound Certification

The first and only interactive display with Dolby Digital Plus, utilising the built-in 2 x 16W speakers with subwoofer.

EZWrite 6 with Google Classroom Integration

A cloud whiteboarding solution that allows you to transform your lessons with a digital canvas and built in tools, making sessions productive and engaging.

Comprehensive BenQ Software Suite

Broadcast and Alert System, Device and Account Management as well as Native Screen Sharing and Cloud Whiteboard make RP03 the full package.
